I make application for the above service and equipment and agree to pay published tariff rates for all such services and equipment.

In making the application, I agree to the rules and regulations of the telephone company, as set forth by the Missouri Public Service Commission in its exchange tariff, and to any general changes in the rates, regulations, tariffs or rates for the service furnished under this application, the general rules and regulations are found in the front of the telephone directory.

The Federal Communications Commission (FCC) has issued an order requiring local telephone companies to give customer billing name and address information to Interstate Long Distance Companies. The order requires us to give your billing name and address to an Interstate Long Distance Company if the company provides service and you accept charges to your number for third number billed or collect calls. This will also apply when you use your long distance calling card for services from an Interstate Long Distance Company.

This application can be voided at the company's option if there are any false statements as to the identity of the applicant.
